CASINO WINNER**

WHAT THE CASINOS WON'T TELL YOU!

By Joseph Tsiyoni

Note: Book has B/W photos.

A new **concept** in gambling is presented in this book by Joseph Tsiyoni, author of several professional books, professional auditor and analyst and an inventor. He draws on 20 years of casino experience in developing this new approach and new concept in gambling.

In Mr. Tsiyoni's professional opinion, the book, which is written in a new format, is one of the best gambling books available, if not the best one. It consists of easy to follow instructions, which show experienced or first-time gamblers a new way to make their trip to the casino enjoyable. The new concept is based on playing only some games for pleasure, and playing one specific game to win. The instructions tell when to play, how to play, where to play, and how much money to bet, etc. Tsiyoni's step by step guide to gambling proves there is a better way to win, a better way to play, a better way to have fun.

The new format, consisting of 133 numbered sections, makes the referral from one section to another easy. It enables experienced gamblers to skip sections containing information they may already know.
